DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-14 allowed.
2. The following is a statement of reasons for the indication of allowable subject matter:

Prior art failed to establish integrated semiconductor chips mounted on a non-conductive interposer substrate which permits different electrodes to be electrically isolated from each other where the non-conductive interposer substrate has a through-hole through which electrodes formed on one of the chips are exposed. Prior art also failed to establish above structure permitting external terminals with shorter wires, which are connected to the chips, to be freely provided at any locations on a surface of the interposer substrate that is opposite to a surface on which the chips are mounted.
